St. Augustine Historical Tour

Start your trip into St. Augustine with a most unusual beginning - pick up a hitchhiker! Don't be alarmed if your driver pulls over to allow this disoriented stranger to board the coach with all of your shocked participants! It's only crazy Ida Alice Shourd Flagler - the oil and hotel baron's second wife! Through the eyes of this colorful woman, you'll learn much about the area and its history as well as all the dirt on Mr. Flagler, of course!

Your tour of the city will include such sites as the Mission of Nombre de Dios, birthplace of Christianity on this continent. When you arrive at the Castillo de San Marcos, you will be invited to step off for a few moments to walk around this fort which is the oldest of our national monuments. Next, your group will see the heart of the city with its magnificent Spanish Renaissance architecture. Mr. Flagler in the late 1880s began to turn this sleepy little town into a resort by creating fabulous hotels and churches. After hearing his complete life story, you can pay your respects to Mr. Flagler when you visit his mausoleum behind the college named for him.

Now that you know the more than 400 years of history in the area, let's celebrate with shopping! St. George Street, a shopping "mecca" well-known as a pedestrian walking street with over 240 gift shops, ice cream parlors, and restaurants, is just four short blocks long. Choose to get something to eat, shop, or just relax until it's time to board the coach once more for your return trip. ©

Sawgrass Country Club Golf Course

Sawgrass Country Club has been synonymous with great golf ever since it played host to The Players Championship in 1977. The premier PGA Tour event was played on our East-West Course through 1981, when it moved to its nearby current site nearby at the Tournament Players Club (TPC) at Sawgrass.

The golf course, now with 27 holes, was designed by noted Arnold Palmer Course Design architect, Ed Seay. Through the years, Sawgrass has been consistently recognized as one of the finest courses in the country and has been included in Golf Magazine's Top 100 Courses in the U.S., Golf Digest's Best Courses in Florida, and Golf Week Magazine's Top 100 Courses in America. Sawgrass Country Club continues the tradition of championship golf by hosting an annual NCAA Men's Division 1 Invitational, FSGA and USGA state and national events, and other select tournaments throughout the year.

Carefully nurtured TifEagle greens reward the skillful putter who has successfully negotiated over or around the picturesque lakes and bunkers that beautify the course. The three nines provide the variety of three different rotations and include five tee boxes to accommodate players of all abilities. A spacious driving range, putting green, practice bunker and chipping green round out a total golfer's needs for game improvement.

Kayaking

Guana is the home of many of Florida's coastal birds. There are over 268 different species on the Guana Birding List. We paddle to Shell Bluff which is at the mouth of the ICW and Guana River. This is a registered historic sight. There are extensive shell middens and a 19 century coquina block well. When we get to Shell Bluff we rest, snack, and learn the history of this region. Join us for an educational and delightful Kayak Adventure.

Deep Sea Fishing

Cruise offshore to catch the big one! Enjoy a full or half day of this fun-in-the-sun activity! These boats offer extreme trolling action offshore for sailfish, wahoo, king mackerel, dolphin (mahi-mahi), or even a tremendous blue marlin. For the bottom-fishing enthusiast, we offer a chance at genuine red snapper, vermilion snapper, pink snapper, grouper, triggerfish, amberjack, and cobia.

Sea Love III: 4 hour trip: 1:30pm - 5:30pm
Mayport Princess: 9 hour trip: 7:00am - 4:00pm
