

DOMESTIC VIOLENCE – Learning Objectives

2019 Annual FOMA Convention

Feb. 23rd 7:00 am – 9:00 am

1. Participants will understand the prevalence and dynamics of domestic violence.
2. Participants will understand the long term health consequences to exposure to violence.
3. Participants will create strategies for universal screening for domestic violence; including prompts and sample questions.
4. Participants will apply referrals and resources for patients experiencing domestic violence.
